

Music Works Academy

Music Works Academy in Beatrice can create custom classes for your troop to complete the requirements for patches and badges in Music, Art, Theatre, and Yoga/Health & Wellness. We can accommodate groups of up to twenty. Our facility is ADA-compliant and easily accessible for people with special needs. Our Group Class coordinator, Stacey Edeal, has many years of previous experience working with Girl Scouts. We will custom design a class with the badge/patch requirements and the abilities of your group, including any special needs, and offer a fun snack break at the completion of your class.
