

Volunteer Duties and Responsibilities Document Inclusion Advisory Group Member

Role Description

The Inclusion Advisory Group serves as a resource to Girl Scouts Spirit of Nebraska staff and volunteers as they work to continually address the needs of members in order to make Girl Scouting accessible to girls of all abilities.

Support & Supervision

Staff Inclusion Experts

Duties

- 1 Provide on-going guidance, advice and encouragement to Girl Scouts Spirit of Nebraska (GSSON) staff and volunteers as they seek to improve policies and procedures relating to inclusive behavior among people of all abilities and backgrounds.
- 2 Attend (in-person or by conference call) quarterly Inclusion Advisory Group Meetings to be scheduled by GSSON staff inclusion experts.
- 3 Assist staff in conducting research, including developing surveys, conducting site visits, and participating in interviews to determine needs of various GSSON properties, programs and staff/volunteer development in relationship to inclusion and accessibility.
- 4 Be available to represent GSSON as a speaker/presenter on the topic of Inclusion and accessibility.

Requirements

- 1 Maintain adult Girl Scout Membership for current membership year with satisfactory completion of background screening process.
- 2 Possess an understanding of disability awareness, inclusion practices, and respectful accommodations and a desire to increase knowledge in this area.
- 3 Energetic and enthusiastic about empowering girls and adults to build courage, confidence, and character.
- 4 Recognize the value of diversity within the community and encourage mutual respect and understanding among all people.
- 5 Represent Girl Scouts Spirit of Nebraska in the community in a positive way.

I have reviewed and understand the above Role Description, Duties and Requirements. I agree to uphold these standards, including the Girl Scout Promise and Law throughout my tenure in the above named position. I understand that failure to adhere to these duties and requirements may result in removal from the above named position.
