

2024 Northeast and North Central Area Cookie Cupboards

Cookie Cupboards will be open FEBRUARY 9 – MARCH 22, 2024, to distribute cookies for additional sales. Dates may vary due to Cupboard Manager availability.

All Cupboard reorders are entered in *SmartCookies* as *Planned Orders* BEFORE going to a Cookie Cupboard. Once entered, YOU MUST CALL THE CUPBOARD MANAGER TO ARRANGE FOR PICK-UP. Times in *SmartCookies* are not a guaranteed time.

Troops should place one *Planned Order* per week. Without a *Planned Order* we cannot guarantee Cupboard Inventory; if cookies are needed during a Cookie Booth, please contact the Cupboard Manager. They will work with the troop to fill orders as soon as possible. An adult must pick up cookies and sign all paperwork for all reorders.

Troops order cookies from the Cupboards by the PACKAGE. *Only order what is actually sold or needed for scheduled cookie booth sales – DO NOT OVER ORDER!* Once cookies are taken from a Cupboard they belong to the troop. THERE ARE NO RETURNS, EXCHANGES OR REFUNDS!

The troop is financially responsible for the total number of packages taken from *all* Cupboards throughout the sale. Total Amount Due to the Council for all cookies received from cupboards will be ACH withdrawn from the troop account on April 12, 2024.

Cupboard Managers are volunteers! Please respect their time by calling ahead and allowing time for them to return your call (if necessary) and prepare your order.
