

Girl-Led Progression Chart

Daisies

- 1 Ask girls about their interests and pick activities around those ideas
- 2 Provide girls with this or that choices like, do we want to play a game or sing a song? When you have multiple activities, ask what they want to do first
- 3 Assign Kapers or jobs in your troop meetings

Brownies

- 1 Girls vote between a short list of badges or activities
- 2 Girls choose which game they want to play or which movie they want to watch
- 3 Learn about troop finances by looking up activity costs from a set list. Girls decide which activities they will spend troop funds on.

Juniors

- 1 Girls look through different activities offered and pick what they want to do
- 2 Ask each girl to facilitate a game or activity for the group
- 3 Let girls plan the meals and shopping lists for a trip

Cadettes

- 1 Girls plan meetings using resources like the Girl's Guide to Girl Scouting and Safety Activity Checkpoints
- 2 Girls set a troop budget and determine how much of their troop funds are spent on each activity
- 3 Girls research, book, and plan activities for a trip

Seniors

- 1 Girls should fully plan meetings and activities, researching and making reservations
- 2 Girls should work together to make a troop budget and balance the troop expenses
- 3 Girls should work together to facilitate badges and activities as a group

Ambassadors

- 1 Girls should fully plan meetings and activities, researching and making reservations
- 2 Girls should work together to make a troop budget and balance the troop expenses
- 3 Girls should work together to facilitate badges and activities as a group
