

2010 FALL PRODUCT PROGRAM TRAINING SCHEDULE

Participation in council sponsored Product Programs is an essential part of the Girl Scout Leadership Experience (GSLE). They fund programs and activities that build courage, confidence and character and teach important skills that last a lifetime. Girls learn teamwork, sales and marketing, public relations, goal-setting, money handling, communication and more while earning start-up funds for their troop.

To provide troops with the materials, information and support they need to help girls be successful, the Fall Product Manager (FPM) for every troop participating in the 2010 Fall Product Program must attend a 2010 Fall Product Manager training session. FPMs may attend ANY of the training sessions offered statewide. ALL program materials will be distributed at the training sessions. Please arrive a few minutes early to allow for check-in and material pick-up, and plan to stay for the entire session.

FIRST TIME FALL PRODUCT MANAGERS (FPMS) should attend a *New Fall Product Manager* training session which will last approximately 1-1/2* hours. These sessions will cover all aspects of both programs and the new Nut-E 2.0 data entry system.

RETURNING FALL PRODUCT MANAGERS (FPMS) may attend an *Experienced Fall Product Manager* training session, which will last approximately 1/2* hour. These sessions will cover only the program updates and the new Nut-E 2.0 data entry system.

**Session times are approximate depending on the number of attendees and questions.*

sessions are subject to change. Reservations are required!

Registered troops will be notified of any changes.

Reservations are required for all training sessions to ensure space and materials are available!!! To register for training, **call 877-447-5558 ext. 321** or **e-mail cookie@girlscoutsnebraska.org** and provide the following information:

- ✓ Your five-digit troop number
- ✓ The session you wish to attend
- ✓ Name & phone number(s) of attendees
- ✓ Number of girls registered in the troop
- ✓ Service Unit or Membership Specialist
- ✓ City and School where troop is registered

If you are unable to attend any of the scheduled sessions, contact the Product Program Manager for your Service Center to discuss alternative training options.
