American History Film Project

The American History Film Project (AHFP) is a fun way for Girl Scouts to earn badges and get additional recognition for “Celebrating Community/Playing with the Past/Truth Seeking” while making short 3-10 minute digital films. Girl Scouts can create short films as an individual, troop/group, or family multigenerational project that tells the story of a local event or legend. It can be a mini drama, re-enactment, interview with a historian or family member. All films will be archived representing your hometown on a digital U.S. map found on our website.

In addition to Girl Scout badges, girls may earn medals and recognition from AHFP and local leaders. There is no cost to participate; just email a link to your film. Parent permission forms are found on our website.

Troops are encouraged to host their own local film screening for parents and community at a Girl Scout meeting or local museum (either in person or virtual). Then AHFP holds annual and regional online exhibitions as well as show the film at the Angelika Film Center near Washington, DC. In previous years, students from Nebraska, California, New Jersey, Florida, and Illinois have traveled to the Washington DC area to get the “red carpet treatment” and watch their films on the big screen. We’ve also Skyped students from Arizona and Indiana to observe audience reactions, answer questions, and meet other junior historians. In 2020, we began film exhibitions and screenings via webcast and Zoom. Watch Girl Scouts in action at exhibitions here.

While AHFP is not a competition, and all K-12 student work get posted to our site, your film may also qualify for National History Day (NHD) 2021 competition if done in a documentary format, citing research sources, and with “communication” as one of the themes.

Who: Brownies, Juniors, Cadettes, Seniors, Ambassadors, Families, Adults

When: The deadline for submitting a film is April 1 each year.
Cost: Free

Goodwill Industries in Lincoln is a non-profit organization that maintains an effective Employment Services Program that offers job training and employment programs to people who face barriers to employment. Goodwill’s client population includes people with physical, mental, and emotional disabilities, or dependence on public support. The sale of donated goods in their six retail locations remains the greatest source of funding for programs Goodwill provides. Many people know Goodwill Omaha as a place to donate used clothing and household items or find great bargains. But you might not know the mission at the heart of our organization: We provide job training and placement services to people with disabilities and other disadvantages.

Donating to and shopping at Goodwill retail stores support our mission programs. Here’s how: People in the community donate gently used items to Goodwill. We sell those donated items in our retail stores. The proceeds from those sales subsidize our employment programs, giving thousands of individuals in the Omaha area the chance to earn a living, discover independence and succeed in life.

**THE 35TH ‘GOOD TURN FOR GOODWILL’ GIRL SCOUT DONATION DRIVE**

This annual community service project is open to all Girl Scouts in the Greater Omaha area, providing them a way to give back to the community by collecting material donations for local Goodwill stores, which subsidize Goodwill Omaha’s employment training and placement programs and services.

Goodwill invites all Girl Scout troops from the Spirit of Nebraska council to participate in the “Good Turn for Goodwill” donation drive. To participate, collect clothing, books, household items, décor and more. Then, bring the donations to any Goodwill Retail Store & Donation Center location listed below to receive service patches and prizes! You may bring donations any time throughout the event, and you’re welcome to make multiple trips.

Thank you for helping people in our community find the training and jobs they need to become independent and successful!

ETIQUETTE AND SOCIAL MANNERS CLASSES
Get your troop off to the right start by providing them the necessary tools of how to treat each other and YOU! Life Launch Academy provides the FUN in the fundamentals of etiquette and social skills for Daisy level through Ambassador Girl Scouts. These interactive programs can include tea parties, games, role-playing, table setting, dining, dancing and more - all while learning proper social and dining skills. A “Manners for Life” button and certificate are issued to each scout upon completion of a program.

DAISIES
E“tea”quette Party—Girl Scouts are introduced to the history of tea parties and how etiquette has evolved to modern times. Girls then make a ticket for a tea party, decorate a “tea” cup and prepare for their special “tea party,” where they learn table manners during story time. (Supplies and tea time snacks provided.)

BROWNIES
Building Friendships, Greetings, Introductions, Dining Etiquette—Girl Scouts learn about the importance of manners in life, especially in friendships; how to build them and how to keep them. They will learn the parts of a friendship by putting “Goldie” together – an interactive puzzle friend. Girls will also learn proper greetings and introductions through a variety of activities and make a bookmark to help them set the table for their “meal,” where they learn hands-on dining etiquette. (Supplies and snack provided.)

JUNIORS/CADETTES
Social Etiquette—With a focus upon personal communication skills and etiquette, scouts learn internet, cell phone and social media etiquette and safety, as well as everyday social manners. Through a mix of hands-on activities, they will learn to be stronger, more confident young women that are better prepared for LIFE! (Supplies and snack provided.)
SENIORS/AMBASSADORS
Life Skills—Young women learn basic financial literacy, resume building and interview etiquette skills. Teens will evaluate their skill sets, develop a resume outline, and participate in a recorded and critiqued mock interview. Leaders can call 402.651.1696 to make arrangements.

MULTI-LEVEL TROOPS
Etiquette for all ages—Combine age-appropriate programs to match the grade levels of your troop. Each level separates into groups to learn unique skills, then reunites for the dining portion of the class. (Supplies and snack provided.)

Nebraska Trucking Association
Women’s Council

TRUCKS ARE FOR GIRLS!
Did you ever wonder how that box of “Girl Scout Cookies” made it to you? Every pack of Twizzlers, every pair of socks, and every light bulb has been brought to you by a truck. Trucks bring us lifesaving medicine and food to fill the grocery store shelves, for not just for our family, but even our pets. Truck drivers enjoy sunsets, beautiful trees, and freedom of driving our highways. Diesel technicians are in high demand and diagnose massive engines with diagnostic laptops, sensors, and probes. The Nebraska Trucking Association helps hundreds of trucking companies throughout the state of Nebraska with training, safety, compliance, promotion, laws, and benefits. So many women are joining the industry that they’ve formed their own NTA Women’s Council to speak to the next generation of ladies in the trucking industry.

TRUCKS ARE FOR GIRLS!
The Nebraska Trucking Association Women’s Council is excited to reach out to your Girl Scout group with tours of semi-trucks and conversation about the trucking industry. Women who are experts in the transportation and trucking field will be on hand to describe their own successful experiences and employment choices in the transportation field. These women include commercial truck drivers, owners of trucking companies, dispatchers, safety directors, and diesel technicians, just to name a few of their talents. If space allows, we will attempt to have a semi-truck on hand so that girls may experience first-hand what is like to sit at the controls and view the world from the seat of a truck cab. Girl Scouts who participate in this event will learn about an important segment of our economy while getting an up-close view of a tractor-trailer in a fun-filled day of learning. We are confident they will leave the event with a better understanding of what keeps America moving and know they can be part of it. Each girl will receive a custom Women In Trucking Association transportation patch.
