Go Fish Girls!

FISH ON!... WOO HOO! TEACHING GIRL SCOUTS HOW TO FISH SINCE 2006.

GIRL SCOUT FISHING PATCH PROGRAM

Come enjoy this two-hour lakeside Girl Scout Fishing Patch Program! We start with the basics...safety, technique, and casting practice. Next, we head to the lake for “Worm Camp” and get those worms in the water. We won’t have to wait long for the thrill of the fish tugging on our line and seeing our bobber disappear under the water.

We get loud, rowdy, and have lots of fun out on the pier! The first excited Girl Scout to catch a fish yells FISH ON! with a rally cry we all WOO HOO! ...and so the fun of fishing and celebrating catching begins!

Fishing is an exciting sport you will never outgrow. Come learn the basics and have lots of fun, too! Co-leaders, just sit back, and we will do the rest!
