

GROUNDWATER FOUNDATION

The Groundwater Foundation

The Groundwater Foundation is an educational, nonprofit organization with a mission to connect people, businesses, and communities through local groundwater education and action, making us all part of the solution for clean, sustainable groundwater.

The Groundwater Foundation provides programs, projects and tools that creatively involve individuals, communities, public and private entities in groundwater education, conservation and protection.

LET'S KEEP IT CLEAN! PATCH PROGRAM

Learn about groundwater, the water we drink and the water that grows our food. The “Let’s Keep It Clean!” patch program offers all levels of Girl Scouts the opportunity to earn two patches by taking action to protect groundwater and teaching others how to be water stewards.

Who: Daisies, Brownies, Juniors, Cadettes, Seniors, Ambassadors

Cost: [Click here](#) to order patches and booklets. The cost of materials depends on which activities you choose. The average cost per Girl Scout (including booklet, patches, and estimated cost for materials) is around \$5-\$10.

Recognitions: Complete two of the activities from the corresponding booklet to earn an “Ask Me About Groundwater!” patch. Earn the “Let’s Keep It Clean!” patch by doing more activities.
