PROGRAMMATIC SUPPORT

COMMUNITY OUTREACH TROOPS – We provide Girl Scouts for free (or at a greatly reduced cost) to girls who may not otherwise be able to participate. We alleviate financial, transportation, and other socioeconomic barriers by forming Girl Scout troops through the umbrella of after-school programs.

BFF (BE A FRIEND FIRST) – BFF is a national youth development initiative that connects volunteers and educators to prevent bullying in local schools and communities. BFF is a same-sex approach to preventing negative behavior among middle school girls at a critical point in their development.

REAL LIFE ACADEMY – A unique life skills program that introduces girls grades 11-12 to adult life based on their proposed career choices. Participants explore their independence through four workshops, each with the underlying theme of financial literacy. Real Life Academy is open to all girls, including non-Girl Scouts.

CAMP PROGRAMS – Guided by supportive adults and peers, girls discover the wonders of nature, experience the thrill of adventure, and challenge themselves and one another to reach new heights at any one of our six camp properties. These experiences inspire girls to take action to protect the environment.
