Troop Financial Management Packet

REV. JUNE 2019
Dear Troop/Group Co-Leader:

Managing Troop/Group Finances is an integral part of being a co-leader. Girl Scouts Spirit of Nebraska wants to partner with you to provide tools to facilitate this responsibility. Good financial management practices are essential to the girls, families of the girls, the troop, and the Council.

Per Girl Scouts of the USA Blue Book of Documents, all money and other assets, including property, that are raised, earned, or otherwise received in the name of and for the benefit of Girl Scouting must be held and authorized by a Girl Scout council or Girl Scouts of the USA. Such money and other assets must be used for the purposes of Girl Scouting.

They are the property of and are administered by the Girl Scout council or Girl Scouts of the USA. Such assets are not the property of individuals, troops, geographic units, subordinate units, or communities within a Girl Scout council.

Required, specific elements of establishing, maintaining, and closing a troop bank account can be found in Chapter 6 of the *Spirit of Nebraska Volunteer Guide*.

**This packet has been developed to assist you with following the troop bank account requirements, effectively managing the troop funds, and includes the following:**

- Links to the Bank Account Information Form, Troop Finance Report, Service Unit Finance Report, and Troop Disbanding Notification Procedures/Form (see page 3)
- Bank Account Guidelines (see pages 4-5)
- Banking Institution Letter (see page 6) with Girl Scout Spirit of Nebraska Board Resolution on Subordinated Unit Bank Accounts (see page 7)

GSUSA requires all Girl Scout councils to maintain records of all troop funds. All troop and service unit bank account information will be maintained and kept on file in our Finance Department at the Omaha Service Center. The Finance Department will be following up with you if these forms are not submitted by their due dates.

If you have any questions or need assistance with anything regarding your troop bank account, please contact your Troop Support Specialist or the Finance Department at 402.558.8189.

Thank you for volunteering to be a co-leader. Girls of Nebraska greatly benefit from your generosity.

Yours in Girl Scouting,

Bank Account Guidelines

Establishing an Account

• Provide the financial institution with the Banking Institution Letter with the Girl Scouts Spirit of Nebraska Board Resolution on Subordinated Unit Bank Accounts contained in this packet (pages 6-7).

• The account must be set up as follows:

  Girl Scouts Spirit of Nebraska
  Troop/Group # __ __ __ __ __
  [Co-Leader’s Address]
  Council Tax ID # 47-0432299

• Bank statements are to be sent to one of the volunteer signers on the account.

• At least two registered and non-related adult Girl Scout volunteers are to be listed as authorized signers.

• These signers should not be living in the same household.

• The third signer will be a representative from Spirit of Nebraska staff, usually a Troop Support Specialist serving your area (please refer to the Banking Institution Letter for specific process).

• Only one signature is required to write checks or make withdrawals.

• Debit card associated with the account is permitted.

• Credit cards or any other form of debt is not allowed.

• Submit the Bank Account Information Form to the Girl Scout Spirit of Nebraska Finance Department within one week of establishing the account.

On-Going Maintenance of Account

• Establish an effective bookkeeping system to keep track of financial activity.

  • Keep detailed records of all expenses including all receipts.
  • Keep detailed information for all deposits.
  • Keep an organized filing system.

• Reconcile the bank statement promptly every month and retain for your records.

  • A dual system is recommended; one primary signer writes checks, uses the debit card, and makes deposits and the second signer reconciles the bank statement.

• Financial records should be open and available for all troop members to review at any time.

Required Reporting

• Complete a Troop/Service Unit Finance Report annually.

  • Attach a May bank statement.
  • Ensure the Troop/Service Unit Finance Report agrees with the May bank statement.
  • Submit the Troop/Service Unit Finance Report to the Girl Scout Spirit of Nebraska Finance Department by June 30 each year.
**Changes to the Account**

- At any time, if any of the authorized signers on the bank account change for any reason, please update the bank signature cards, complete a new Bank Account Information Form, and submit to the Finance Department within one week of signing the bank signature cards.

**Closing an Account**

- At any time, if the bank account is closed, follow all bank account closing procedures as outlined in Chapter 6 of the [Spirit of Nebraska Volunteer Guide](#).
  - A final Troop/Service Unit Finance Report must be completed and submitted to the Finance Department with the final bank statement attached.
    - If a new account is established with the funds, a new Bank Account Information Form must be completed and submitted to the Finance Department.
    - If the troop is disbanding, please refer to Troop Disband Procedures from Chapter 5 of the Spirit of Nebraska Volunteer Guide for options available and proper procedures.
Dear Banking Institution:

Girl Scout volunteers are presenting this letter to you, so they may set up a bank account with your institution. In Girl Scouting, we refer to troops, service units or other local areas as subordinate units. The bank accounts set by these groups are then referred to as subordinate unit bank accounts. These accounts are set up under the tax identification number of our Girl Scout Council, but they are used by the subordinate unit, not the council, to conduct their own Girl Scout business.

Attached is the Spirit of Nebraska Board Resolution which are approved guidelines for Subordinate Unit Bank Accounts. Below are instructions on how to set up a bank account for a subordinate unit.

When setting up a subordinate unit bank account, please use the tax identification number of Girl Scouts Spirit of Nebraska. That number is 47-0432299.

The accounts should be set up with Girl Scouts Spirit of Nebraska on the first line, Troop# on the second line:

**Girl Scouts Spirit of Nebraska**
**Troop/Group # ___ ___ ___ ___**
**[Co-Leader’s Address]**
**Council Tax ID # 47-0432299**

The mailing address and phone number on the account should also be for the subordinate unit (troop co-leader). That way the bank statements go to the appropriate Girl Scout volunteers and NOT directly to the Council office.

Spirit of Nebraska requires at least two registered adult volunteers and the Troop Support Specialist (Spirit of Nebraska staff) serving that area to be authorized signers on the account. Spirit of Nebraska requires only one signature on checks and money withdrawals. Subordinate units are allowed to have a debit card connected to the account if they wish. Subordinate units may not use credit cards or acquire debt.

Please have the signature card signed by the volunteers. Then mail the signature card to the staff person in our office (the Troop Support Specialist) to obtain her signature or ask the Troop Support Specialist to come into your bank to sign it. We do not want documents containing the Troop Support Specialist’s personal information leaving your bank with the co-leaders/volunteers. If possible, please do not pre-print the SSN or date of birth of our Troop Support Specialist on your signature card or other new account documents. If your system allows “on file” or something similar, that would be ideal.

If your institution requires copies of any documents (a W-9 for Spirit of Nebraska, our tax exempt letter from the IRS, or a listing of statewide Troop Support Specialists), please contact Treva Patterson at 402.779.8203 or at tpatterson@girlscoutsnebraska.org.
