

Country Roads Equine, LLC

Country Roads Equine, LLC will teach basic horse education including how to care for your horse, first aid for your horse, and basic care if they are sick. Girl Scouts will also learn basic horse terminology used in the industry, different disciplines of riding, horse anatomy, and safety skills before riding.

HORSE EDUCATION 101

Girl Scouts will learn how to care for a horse—including feeding, basic necessities, the importance of clean stalls, fresh water, and signs of a horse feeling unwell. Additionally, Girl Scouts will learn about horse industry terms, different types of riding and disciplines, riding equipment, basic horse anatomy, and horse safety. A hard bicycle helmet, long pants, and closed-toe shoes are required.

Who: Brownies, Juniors, Cadettes, Seniors, Ambassadors

Recognitions: Complete steps 1 and 2 towards Junior Horseback Riding badge

Cost: \$15 per person

Capacity: 6 Girl Scouts; 2 adults

HORSE HANDS-ON GROOMING

After completing “Horse Education 101,” Girl Scouts will expand their knowledge of horse anatomy and master safety skills during a practical, hands-on session with horses. Participants will learn how to groom a horse, tie restraints properly, and practice basic safety during ground-based interactions. Finally, participants will learn how to lead a horse into a stall, or run and release a horse. A hard bicycle helmet, long pants, and closed-toe shoes are required. “Horse Education 101” is a prerequisite.
