OUTSTANDING BALANCE PROCEDURE

If a troop has an issue collecting money from an individual, the Troop Cookie Manager (TCM) should make at least two attempts to contact the responsible party to resolve the issue. An additional call from the troop leader or treasurer may resolve the issue. If the situation is not resolved by **MARCH 23, 2026**, submit this *2026 Cookie Program Outstanding Balance Report* to your Product Program Manager. The council will take appropriate action to resolve the situation and obtain amounts due to the council AND to the troop.

Follow these Outstanding Balance steps to facilitate recovery of money owed.

1. At the earliest sign of any Outstanding Balance issue(s), begin this *2026 Cookie Program Outstanding Balance Report* and notify the Product Program Manager at your local Service Center so they are aware of the situation.
2. On the *2026 Cookie Program Outstanding Balance Report*:
 - a. Provide as much contact information as possible for the responsible party.
 - b. Use the calculation area to determine the *Total Outstanding Balance Amount*.
 - c. Calculate how much of the *Total Outstanding Balance Amount* is *Troop Profit* by multiplying the total packages sold by .80/.90 for Opt Out.
 - d. Subtract *Troop Profit* from *Total Outstanding Balance Amount* to determine the *Amount Due to Council*.
 - e. If the responsible party has made a partial payment, contact the Product Program Manager at your local Service Center office for help calculating the amounts due.
 - f. Record all Outstanding Balance efforts and outcomes including any personal, telephone and written communication by any person in the troop on separate paperwork.
 - g. Sign and date the report.
 - h. Outstanding Balances can be deducted from *Amount Due to Council* on any ACH if forms are submitted 15 business days before the ACH date. Forms must be submitted **BY MARCH 23, 2026**, to adjust the final ACH.
3. Submit unresolved Outstanding Balances to the Product Program Manager at your local Service Center by **MARCH 23, 2026**, along with the following paperwork:
 - a. This *2026 Cookie Program Outstanding Balance Report*.
 - b. The signed *2026 Cookie Program Participation Permission and Product Payment Receipt Form*.
 - c. All other payment documentation.
 - d. For uncollected returned checks provide all documentation from the bank as well.
4. Upon receipt of ALL documentation, the council will institute appropriate steps based on each situation. This may include:
 - a. Calling or emailing the responsible party for resolution through the council office.
 - b. Sending a letter from the council Finance Department.
 - c. Establishing a payment plan through the council Finance Department.
 - d. Forwarding the issue to an agency and/or to legal counsel for prosecution.

The *Troop Profit* from any *2026 Cookie Program Outstanding Balance Report*, including returned checks, submitted by **MARCH 23, 2026**, will be returned to the troop once the money has been collected by the council.

If a check is returned after **MARCH 23, 2026**, contact the writer of the check, and ask them to provide another form of payment for the amount of the check **and** any returned check fees. If contacting the writer of the check is unsuccessful, the uncollected check should be turned over to the council as an Outstanding Balance per the above procedures. To process a returned check, a driver's license and phone number must be on the face of the check. For returned checks submitted as an Outstanding Balance after **APRIL 24, 2026**, the entire amount of the check will be returned to the troop once the money has been collected by the council.

If a troop should receive payment of any money for a submitted *2026 Cookie Program Outstanding Balance Report* after paperwork has been provided to the council, contact the Product Program Manager at your local Service Center to discuss options for processing the payment to clear the debt for the council and the troop.
