

# Celebrating Excellence: The Highest Awards Ceremony

On Monday, June 1, 2026, at the Scott Conference Center in Omaha at 6 p.m., Girl Scouts Spirit of Nebraska will proudly honor Girl Scouting's highest achievement—the Bronze, Silver, and Gold Awards—at a special celebration. This ceremony recognizes girls who have committed to making a lasting impact in their communities and the world. At the Highest Awards Ceremony, we celebrate inspiring young women who have demonstrated exceptional leadership and taken action to create positive change.

The Highest Awards represent the pinnacle of achievement in Girl Scouting. Open to girls in grades four through twelve, these prestigious awards challenge girls to change the world by starting in their own community.

Girl Scouts Spirit of Nebraska is proud to recognize the dedication of the young women who identified a need, built resources and teams, developed plans, and took action to create measurable and sustainable change. Last year, 247 girls across Nebraska earned their Highest Awards.

Join us as we celebrate and encourage leadership, collaboration, and the spirit of philanthropy! **Your support of the Highest Awards Ceremony plays a vital role in providing opportunities for Nebraska girls to tackle important issues and make a lasting change in the world.**

With your support, we continue the Girl Scout mission to help girls grow in confidence and become tomorrow's leaders—today!
