

Service Unit Incentives

Start Date: August 1, 20____

End Date: September 30, 20____

Purpose: To encourage the Service Unit teams to accomplish membership goals for new and retained members in a way that ensures girls and adults have a fulfilling Girl Scout experience.

How to Receive Incentives

- ☐ Have a bank account with at least two unrelated registered and background screened volunteer signers. Have also completed and turned in the Bank Account Information Form and Finance Report to the council.
- ☐ The four main positions (Service Unit Manager, New Leader Mentor, Event Coordinator, Recruitment Coordinator) of the Service Unit team are filled. One person can hold multiple roles, but the goals of each position must be met.
- ☐ The Service Unit must also meet with their Troop Support Specialist before October 1, the current membership year, to review their Plan of Work and goals for the membership year.
- ☐ Inform their area Troop Support Specialist that an incentive has been earned by submitting the online Service Unit Incentive Plan Application as the incentives are reached. Forms can be found under the Service Unit tab in Volunteers Resources.
- ☐ All applications must be submitted by September 30th, the last day of the current membership year. Payments will be remitted to the Service Unit via ACH deposit.

Available Incentives

- \$100- The Service Unit holds a minimum of four events that are open to the entire Service Unit, with at least 50% of troops participating in each event. Each event must include a community service component.
